Jackie, It's been really been
great knowing you! I
hope to see you next
year or over the summer.
Have a excellent summer
and I don't want to
see you down at juvenile
hall! HAH! That's a laugh.
No seriously you
are really sweet and very
smart! Maybe I'll
see you at university
of California (or wherever
you go...)

Thanks for
everything! It was
great having you in
French - I will always
remember that class! So,
next year you will be a sophomore? - its not as
great as it sounds! Thanks for helping me with Doug and
with Rebecca - we sure have been getting in a lot of fights
lately! Have a great summer and take care
of yourself and your sister! - keep her out of
trouble!

ALL ABOUT LINCOLN

Classes opened at Lincoln High School on September 28, 1942 with an enrollment of 523 students. Its first Principal was Mr. Fred Shipp.

Since that time, both the school building and the enrollment has grown considerably. In 1947, the tennis courts were built. The Gymnasium was completed in 1949, as well as the Wood, Metal and Auto Shops. In addition, the Science and Music wings have been added.

In 1950, Dr. Robert Kennedy was selected to replace Mr. Shipp, and the enrollment reached a high of 900. However, with the opening of Willow Glen and James Lick High Schools at this time, Lincoln once more became a small school.

Today Lincoln's enrollment is about 1300.

In 1964, Lincoln welcomed a lady Principal, Mrs. Mildred Meckfessel, who retired in July, 1968. In 1966, the Girl's Gymnasium was finished, and in September of 1968, a new Principal, Mr. Donald Lucas, came to Lincoln from Oakland, California.

Our swimming pool was made possible by Conrad Mendler. In 1947 he presented Lincoln with a check for \$10,000. The students and the Dads' Club raised \$15,000 and with a like amount from The Board Of Education, we had enough for our swimming pool.

In mid-year of 1979, our Media Center was completed, and in September of 1980 Lincoln received its second lady Principal, Mrs. Mickey Long.

ACTIVITIES

ON SALE NOW

On October 18, Lincoln held its traditional girl auction in the pit, while October 19 was the boy's turn. The highest bid for a group of girl slaves was forty dollars. The group contained Tracey McQuay, Caryn Roth, Shannon Cauthen, Sue Hoppe, Lisa Ramos and Marcia Thompson

The highest bid for a group of guy slaves was thirty-two dollars. Audrey Lopez, the buyer, paid this amount for Ralph Santini, Rodney Gonzalez, Albert Nino, and O.J. Marquez. On Friday, October 22, the girls were masters of their guy slaves

The auction was a big success for all students, and especially for the Senior Class who made over two-hundred dollars

GIRLS' CHOICE

As per tradition, this year's Sadie Hawkins dance was held in October, and was sponsored by the senior class. There were over 164 couples who entered the cafeteria in matching outfits. They seemed to have enjoyed themselves dancing, talking and getting hitched by Reverend Marrying Sam. The wedding pictures were taken by photographer Paul Bacos. There was also a group of students who came alone to hear the music and have a good time with their friends.

Everybody who came, whether in a couple or alone seemed to have a splendid time in this annual memorable Lincoln event.

HAUNTING SPIRITS

There were little girls, clowns, and many more personalities that decorated the campus on Friday, October 29 for Halloween.

Due to the unavailability of the gym, a rally was cancelled. But, the Junior Class held noontime activities to arouse the students' spirits.

The first activity was a doughnut eating contest. The object of the contest was not to eat as many doughnuts, but to eat one off a string. The winner was junior O. J. Marquez.

An orange polo was the next activity. The object was to hit an orange across a designated area using an orange in a nylon stocking, which was tied around the waist. Junior Mike Lozano was the talented person who accomplished this feat.

Sophomore Robert Souza was the winner of the last activity which was bobbing for apples.

BONE SPIRIT

Yes, we still carry on a few of the activities developed at Lincoln High since 1942 the year it opened

The year 1943 was the first year that the Lions and the Bulldogs waged football warfare. Since the first battle, known as the Battle for the Big Bone, the Lions have led the way in wins, 23 to 11. There have been five ties

Thanksgiving morning, at 11 a.m., the **Battle for the Big Bone** trophy took place. The Lincoln Lions (2-6) and the San Jose Bulidogs (0-8) once again ransaged the field of San Jose City College. Just as predicted, the "Bone stayed home", as Lincoln prevailed with a score of 22-16

In addition to the Big Bone game Lincoln and San Jose's FroshSoph football teams battle for the **Little Bone** trophy. The week of the Big Bone game, an exchange rally is usually held along with San Jose's spirit leaders and their team captains. But this year, the rally was more versatile. Instead of inviting any students over from San Jose, we hosted a rally which welcomed those students from Trace Elementary and Hoover Jr. High School. And instead of convening the rally inside the school gymnasium, as it has traditionally been done, this year it was held outside on the football field, with a band performance as the highlight

Another tradition is the **Big Bone Ball**, which San Jose hosted this year. At the ball, a coronation ceremony took place, honoring the school's homecoming courts

Lincoln's Big Bone Queen was Tracey McQuay with King Rodney Gonzales as her escort. First Princess was Irma Navarro; Bernard Cabigon was First Prince. Second Princess was Kara Tokushige and Second Prince was Albert Nino.

Little Bone Queen was Adela Landeros with Adrian Galvez as her escort. Christie Catelli was First Princess and Mike Russell was First Prince. Ron Nicholson and Mary Ann Pascual were Second Prince and Princess

A NIGHT TO REMEMBER

The traditional Big Bone Ball was held on November 19, 1982 at San Jose High, this year's host school. Instead of the hiring of a band, both schools decided that a disc jockey would be a nice change.

At ten o'clock, the coronation of the homecoming royalties from both schools began. This year's homecoming King and Queen were Rodney Gonzalez and Tracey McQuay. First Prince and Princess were Bernard Cabigon and Irma Navarro. Second Prince and Princess were Albert Nino and Kara Tokushige.

A MAJORITY OF ONE

A Majority of One written by Leonard Spiegelglass marked the return to the drama program for Mr. Jack Edwards and the entrance of Dr. Don Carlson. Mr. Edwards directed the play, Dr. Carlson was in charge of the lighting and the construction on the sets and Mrs. Scott was in charge of the costumes.

The story is set in Brooklyn during the late 1950's. The central character, Mrs. Jacoby (Liz Warner) is a Russian born Jew who has lived in Brooklyn since her teens. She is highly prejudice against the Japanese because of the war. This causes a major dilemma when her daughter, Alice Black (Bonnie LeFebver), and her son in law, Jerry Black (Alexei Marcoux) announce that they are to be transferred to the U.S. Embassy in Tokyo, and they'd like Mrs. Jacoby to accompany them. On the boat Mrs. Jacoby meets a Japanese business man, Mr. Asano (Tony Aguirre) whom she at first detests, because he is Japanese, then later forms a strong relationship with.

Once in Japan, Mrs. Jacoby and Mr. Asano begin seeing a lot of each other, much to the dismay of Alice and Jerry, who although liberal in thought, are prejudice in practice. Mr. Asano proposes to Mrs. Jacoby and the fireworks begin. Mrs. Jacoby, Alice and Jerry argue and, in so doing, reveal the truth about their ideals and prejudices. Mrs. Jacoby turns Mr. Asano down, not because he is Japanese but because she feels neither of them are ready (they are both widowed).

The central message of the story dealt with communication and prejudice, citing that the lack of one may lead to the other. In all, a touching and thoughtful production.

LOOK MA... IT'S ME

This year the Lincoln Center for the Creative and Performing Arts presented the Variety Show "Look Ma, It's Me!". Talented students from throughout the district performed in the production.

An outstanding performance was given by seven year old Nova Dague from St. Leo's parochial school with the heart-warming song "Don't Cry For Me Argentina". The Magnet "Jazzercisers" got the audience moving with their energetic routine to the song "Physical".

The Magnet Players comedy routine of "The Tree" brought down the house with the surprise appearances of Mrs. Long and Mr. Cesario. Their skill and expertise in performing the role of "The Tree" was a task to be admired by all actors.

Last, but certainly not least, Alexei Marceux was excellent as the Master of Ceremonies with his witty antidotes and charming manner. The 1983 Variety Show will hopefully stay with us as a Lincoln tradition.

BEHIND THE SCENES

Lincoln's first play of the year, was presented on October 28, 1982, 8:00 pm, at Lincoln's cafeteria. The director of the play was Mr. Jack Edwards. Technical Director was Dr. Don Carlson and costume designer was Ruth Scott. The make up artists were Christie Dee Maria, Star Eatsler, Hollie Messineo and Carl Vasquez.

The stars of the play were Tony Aguirre, and Liz Warner. Liz played Miss Jacoby, and Tony played Koichi Asano.

Congratulations!

(LEFT) Valerie Jackson '84 will be even more happy when she finishes David

The school year has brought a number of talented people to drama, ceramics, art, and band at Abraham Lincoln High School. Throughout the school year, these people have enjoyed their accomplishments.

The ceramics class produced many fine sculptures. Outstanding amongst these was a head of David Lee Roth of the Van Halen rock group. They have also produced many other sculptures of interest.

Art classes produced many works which have been put on display in the school library and on the walls of the office.

The drama class put on a Fall play, *A Majority of One*, which was a great success. Their second production was the widely acclaimed *Godspell*. Not only the actors on stage were talented, but also the people backstage, the directors, costume designers, electricians, make-up artists, and builders of the set.

Band members have shown a great deal of talent. This year they won first place in almost every competition entered. And by winning Music Bowl IV they were invited to perform at the 1983 Orange Bowl Parade. Everyone at Lincoln was excited about their achievements.

It is evident that Abraham Lincoln High School displays an amazing amount of artistic talent.

CHALLENGING COURSES

Biology, Chemistry, Honors English and Computer Programming were just a few of the highly accelerated classes offered at Lincoln.

Biology, taught by Mr. Desch, is a college required course. Many students find the course a challenge.

Another academic course was Chemistry, taught by Mr. Zeller. As explained by Mr. Zeller, "Chemistry is the study of material, their composition, structure and the changes they undergo."

Honors English Advanced Placement, taught by Miss Strong was not your basic English course. It was the class for the above average students. Most of the Seniors say it was a very hard course. The assignments included college level work, such as mythology, college vocabulary and timed writing assignments.

A new course offered to Lincoln students this year was Computer Programming, which was taught at Hoover Junior High School.

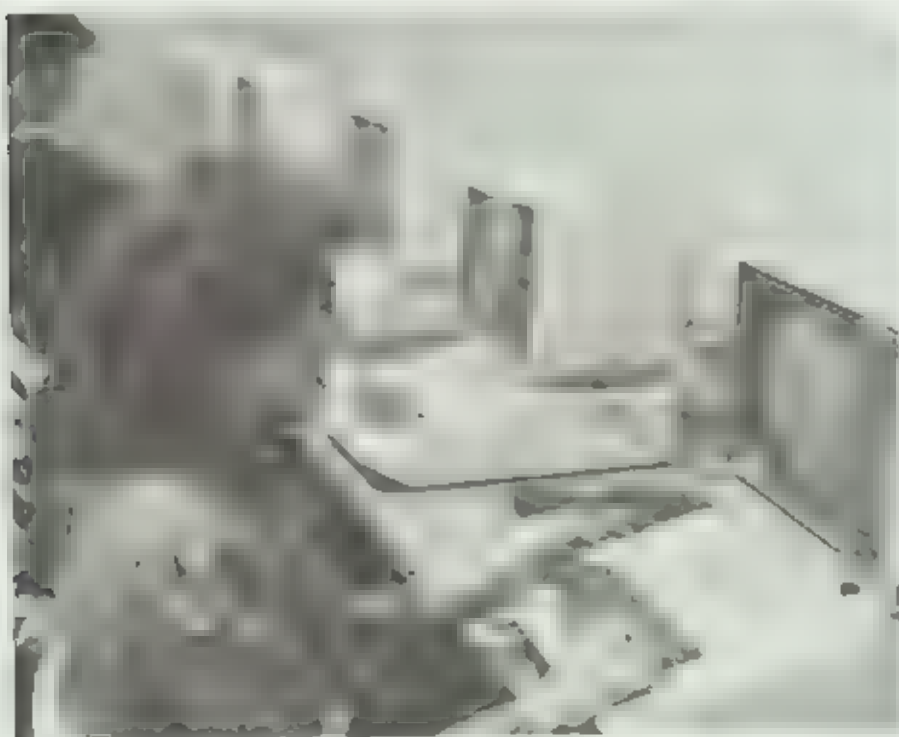

There were about thirty students from Lincoln attending the class. Some students said it was an easy course, but as time progressed it became much more difficult. A lot of memory and work was required for the course, but most students still enjoyed it.

In the coming years, these classes will always help students through college and job placement.

VALENTINE'S DAY

When you hear of "Valentine's Day" you're most likely to think of candy, valentine's cards, and kisses.

Here at Lincoln the ASB participated in the festivities. For 75¢ you could buy one or more Carnations for anyone ranging from a teacher, boy or girlfriend, to someone you like or want to get to know. Along with the Carnation you could write a message on a paper heart that accompanied the Carnation.

Orders were taken for Carnations for that someone special a week before Valentine's Day. Flowers were then delivered during the school day on February 14th; being sent to the classrooms of the owners to be.

The sale had a good turn out. The Senior Class raised over two hundred dollars for the funds.

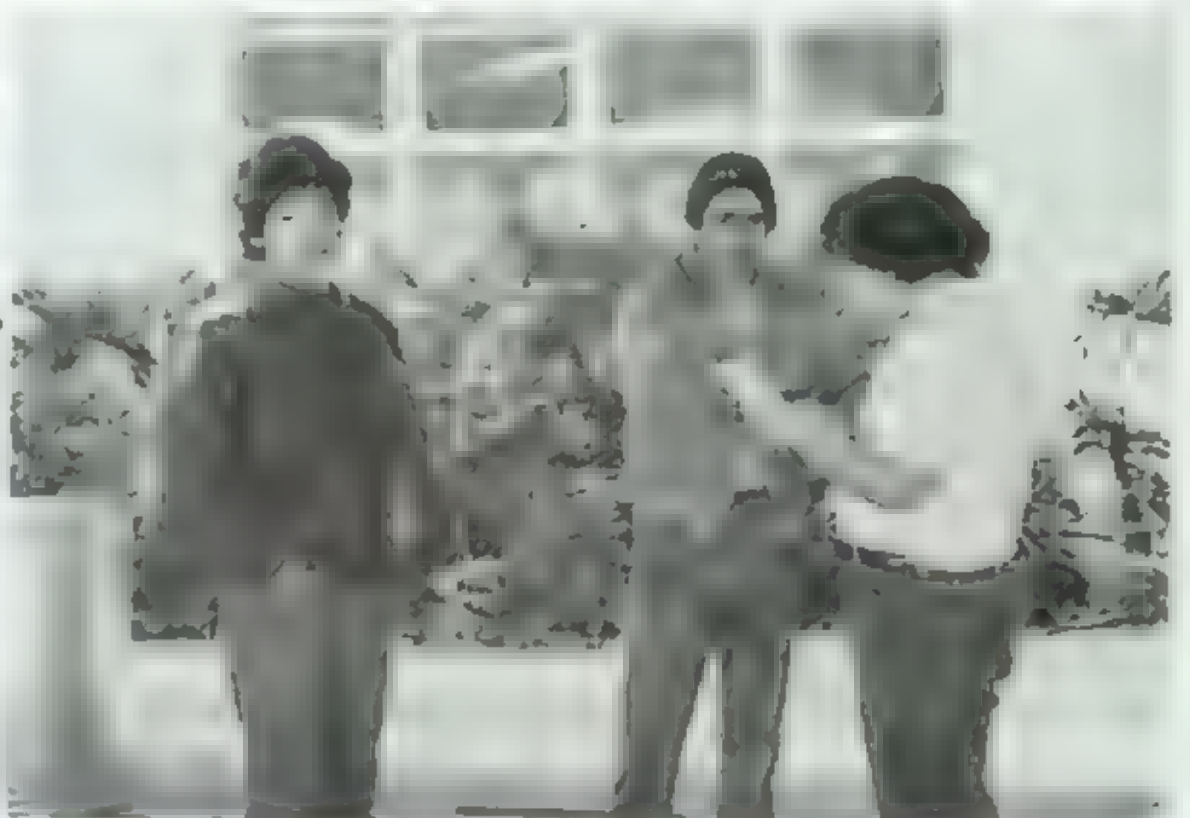

Now ...it wasn't that bad was it? ...for others, remember there's always next year!

VIDEO TREND

Pac-Man, Tron, Centipede, Donkey Kong, Asteroids and Zaxxon are just some of the most popular video games of the 80's. There are lots of video game arcades everywhere, and you're sure to see some of Lincoln students hanging around them.

There are a couple of arcades located near Lincoln: Park and Hesters arcade, Chuck E. Cheeses Pizza Time Theater arcade in Town and Country Village.

The craze has become addictive to students and adults. In a matter of minutes, you can spend ten to fifteen dollars on a game.

The business has become very exciting over the last two years. For instance, the Chuck E. Cheese Corporation has become a multi-million dollar business. Their pizza is great but the games are even more fantastic. It is the local hangout for all the video addicts at Lincoln.

You have to admit most people like at least one video game. If they put a quarter in a video machine, the business and manufacturers are making millions in a day or two.

SURFERS AND PUNKS

In the last couple of years at Lincoln, there have been a number of surfers and punks. The fad has really increased in the last two years.

Punks get their hair cut really short in many different ways. Also, they wear heavy leather jackets and wrist bands with spikes around them. Punks originally started in England and worked their way to America from punk rock bands.

For the last three to four years, Lincoln surfers have been a fad. They range from the average student who wears Town and Country clothes and Van shoes, to those who wear only Ocean Pacific clothes.

In the future these types of fads will increase.

FASHIONABLE STYLES

In the eighties there flourished many new fashions while some of the old fashions remained. Campus styles haven't changed too much; we still have the surfer, casual, preppy and cholo look.

The older fashions are still popular at Lincoln. The surfers are still into Levi 501's with tennis shoes and all kinds of Ocean Pacific shirts. The casual look is very much like its name. The clothes are casual and down to earth with slacks, or jeans, simple or designer shirts. The preppy look is a college type of dress. Dressy slacks set off with designer tops- Polo, Izod, Britannia, or a Sasoon shirt.

Often if the shirt is not designer, it is a dressy shirt. The shirt can also be enhanced with a tie. Often a sweater or blazer is worn. The Cholos wear Pendletons, muscle shirts, white T-shirts and sweat shirts. Bens and khakis still remain their favorite choices of pants.

The newer styles at Lincoln are the New Wave, punk rock and the sophisticated look. The New Wave, which is very popular this year is a cross between the preppy look and the casual look. The punk rock style is a very unique way of dressing and is usually expressed with hair dyed purple and a variety of colors, odd clothes and colorful shoes. The sophisticated look is a manner of dressing very stylishly. It is casual as well as economical. The sophisticated look is one of smart clothes and good grooming.

No matter in what manner one dresses everyone is accepted here at Lincoln. We have a wide variety of fashionable styles and we approve of them all

(ABOVE LEFT) Jenell Johnson '86 wears a pair of vuarnets that are very popular with the surfer look

FACULTY'S TIME TO SHINE

Another branch of Lincoln's Magnet Program was displayed on February 25-26, 1983 in the Lincoln Cafetorium. Faculty members joined forces on the stage to perform the first Faculty Follies.

This year's presentation was a melodrama entitled *Pure as the Driven Snow*. The plot consisted of Mortimer Frothingham's desire for the young and pretty Purity Dean and attaining the local Inn from the Logans. In Mortimer's attempts to get Purity, he spreads a vicious rumor that Purity is the mother of the baby that mysteriously appears.

Both nights the cafetorium was filled with friends and family as well as students to see our star studded faculty members in the spotlight.

The 1983 production of Godspell was a sensation to Lincoln High School.

The cast spent six hours a day practicing not only for the January fifteenth and sixteenth performances but also for their own acting ability.

The cast had experience, ranging from school productions to community productions. All are well on their way to the top.

The cast of Godspell were as follows: Malachy Smith, Timothy Jones, Mike Leal and company.

With the help of a fine stage crew, the show proved to be a tremendous success.

Due to the energy of Director Karen Welch, Choreographer Mary Jo Dale, Musical Director Patty Christa, and Technical Director Dr. Don Carlson, Godspell was another great success for Lincoln High School. These people knew just how to make the cast work to make an exciting play.

ADVANTAGEOUS

RACQUETEERS

Lincoln has a number of sports that take a variety of skills. The tennis team is one which needs many hours of practice and a tremendous amount of concentration. Tennis is a very demanding game to play.

The most valuable player award went to Aby Brayton who was only defeated by two players all year. The most improved award went to Tisha Mendoza. The best potential award went to a new and aspiring player, Caroline "CC" La Torre.

According to Coach Santos, Lincoln has had some outstanding players this year. Freshmen Aby "Kadaby" Brayton breezed through almost all her matches. Aby received a ranking of seventeenth in all of Northern California. Two of the teams' most spirited players were Susan Van Hoomissen and Annette Sundberg. The team will miss their blessing of the rackets that the girls traditionally kept alive.

THE 1982 LINCOLN CROSS-COUNTRY

The 1982 Lincoln cross-country team had a successful season. They started by doubling the number of participants to close to 30, and for the first time in the schools history, Lincoln had a complete girls cross-country team. The varsity led by Captain Martin Sosa easily defeated San Jose High and narrowly lost to Pioneer 28-29. Other varsity leaders were Adam Marquez, Marco Orozco, Dan Reynolds, and Denny Evans.

The Frosh-Soph team finished third in league standings led by Michael Romero, David Kirby, Orlando Casteneda, Sammy Valdez, Alfredo Nieto.

The woman's team defeated San Jose High and went on to some impressive individual efforts against much larger teams. Led by Captain Cindy Galindo, Adela Landeros, Diane Rocco, Amy Evans, Liana Marin, and Marcia Thompson. The girls team performed courageously despite injuries and illness.

The cross-country team looks forward to 1983 for even more successes and a larger team.

SPIKING INTO SUCCESS

(ABOVE) Shannon Cauthen '84 shows her ability to spike the ball.

Girls' Varsity Volleyball met with outstanding success in the 1983 season.

The season ended as follows: Leland won 10-0 games, Lincoln 7-3, Gunderson 7-3, Pioneer 3-7, Willow Glen 3-7, and San Jose 0-10. In the ten year history of volleyball at Lincoln, this has been our highest finish.

There was a play-off game set up with Gunderson on November 9th. This determined who would represent C.C.S. action after the season was over. The Lincoln Lions defeated the Grizzlies and took 2nd place in the league. The final score was 15-12 and 15-13.

Coach Woods says, "I had a hard time picking an outstanding player. We had an eight girl team and they all made contributions." The seniors were Captain Marlene Tellez, a very good setter and server, Mariana Alvarado who had great speed and sets and served very well, Tracey McQuay, a returning veteran and outstanding bumper and spiker, Marie Salazar a steady server and spiker, Lisa Ramos server and spiker. Junior players were Kaye Has, a good setter, server and spiker. Others were Jennifer Carter, a smart and good server and a steady player, while Shannon Cauthen was an all around good player who got the job done.

"They were a great bunch of girls to work with," says coach Tim Woods. I will miss the seniors very much. I hope that down through the years they will remember me as much as I have enjoyed coaching them."

SPIKING THRU A DIFFICULT SEASON

This year's Junior Varsity Volleyball team consisted of all new players. Out of eighteen there was only one returning player, sophomore MaryAnn Rosso. The team had excellent potential despite lack of experience. Many girls on the squad were outstanding young athletes.

"Working with young athletes is an experience in love and frustration", according to Coach Stevenson. "MaryAnn Rosso had excellent talent. Stephanie Morin was most spirited on the team with great potential. There were several other players who distinguished themselves this year. These were Patty Guillen, Rachel Greenberg, Carol Valdez and Gracie Veyna."

Volleyball is an excellent sport. It takes a lot of time and effort if you want to play well. Also you definitely need self control. To play well you have to improve your ability

LIONS ROAR WITH VICTORY THE BULLDOGS

The Lincoln Lions greatest day came on November 25, when the Lions chased the Bulldogs off the field. The 1982 Homecoming Game was one to be remembered.

It was the Lions finest offensive and defensive day. Leading in the offensive line was Ron Pedegron, David Draminski, Ramon Leon, Bobby Polanco and Pat Dicochea. Our linebackers and receivers playing was outstanding with quarterback Adrian Galvez hooking up to Willie Hightower, Robert Arcoraci, and Jeff Rubio for 180 yards. Our runningbacks, O.J. Marquez, Ruben Gutierrez and Adrian Galvez each scored a touchdown. The defense charge was led by seniors Rafael Santini, Albert Nino and Kevin Rodgers. The defensive juniors were Jeff Rubio, Alfred Arista, and Alex Pedregon.

All of our players should be commended for a fine game on the 25th which gave our school its most rewarding victory.

LION CUBS FIGHT TOUGH SEASON

In an exciting 1982 season, Lincoln FroshSoph Football players were very bright and positive in its good football. Lincoln High can be proud of its Lion cubs and coaches for making the team possible. Under direction of Robbie Rocha, Art Subia, and Ed Rosset, Lion cubs showed what it means to be a Lincoln football player.

In the traditional Little Bone game against San Jose High, the Lion cubs played with determination. Playing a full four brutal quarters, the cubs managed to pull off the game, with a score of 12 to 6.

OUR GIRLS MAKE A GOAL

The 1982-83 girl's soccer team practiced many long hours, anticipating a successful season.

The girls had three games a week and they practiced from sixth period to about 3:30. Mr. Mc Phee commented that he enjoyed teaching girls soccer not only for the enthusiasm but because the skill of soccer takes many months and years of practice and the basics of these skills should be taught at a young age. Other teams in the league have players who have played for several years. The Lincoln players had a great commitment to the games and it was an advantage for them.

Mr. Mc Phee has been teaching girl's soccer for 15 years in Scotland and would like to continue teaching at Lincoln. Mr. Mc Phee would like to thank the girls for a great season.

A KICK TO VICTORY

Lincoln Varsity Soccer has been in some very good matches this year. They have been plagued with injuries to our starting eleven. This has prevented the Varsity from playing up to their full potential. They hoped to finish the second half of the season with some upsets. With a little luck and a lot of effort, we will succeed.

We have three outstanding seniors graduate this year. They have been the mainstays of the team. Jose Luna, Memo Gonzalez and Napo Barneond have played with intensity and spirit all season long. They have been a pleasure to work with on the practice field and exciting to watch on the pitch.

Their best effort this season was against Willow Glen. Even though they lost it was exciting to watch. They had many opportunities to score, but it was Willow Glen that finally slipped one through. Our goalie, Randy Comfort, blocked two penalty kicks. This is almost unheard of in high school soccer. "My bet for the most exciting game of the season will be for the Boot against San Jose High. We are always up for this game," according to Coach Wulftange.

UNDERMINING THE PREDICTIONS

The season for Lincoln's Varsity Basketball team was character building considering they were a very young team with only two returning varsity players. The nine member team consisted of two sophomores, five juniors, and two seniors. Outstanding players according to Coach McGilvery include junior Robert Arcoraci, sophomore Chris Funk, and senior Todd Kaiser.

The goal for Lincoln at the beginning of the season was to place second or third in the league, although all of the sports publications, including the San Jose Mercury, predicted that the Lincoln Lions would only reach fifth place. To reach their goal the team would have to beat two tough teams, San Jose and Willow Glenn.

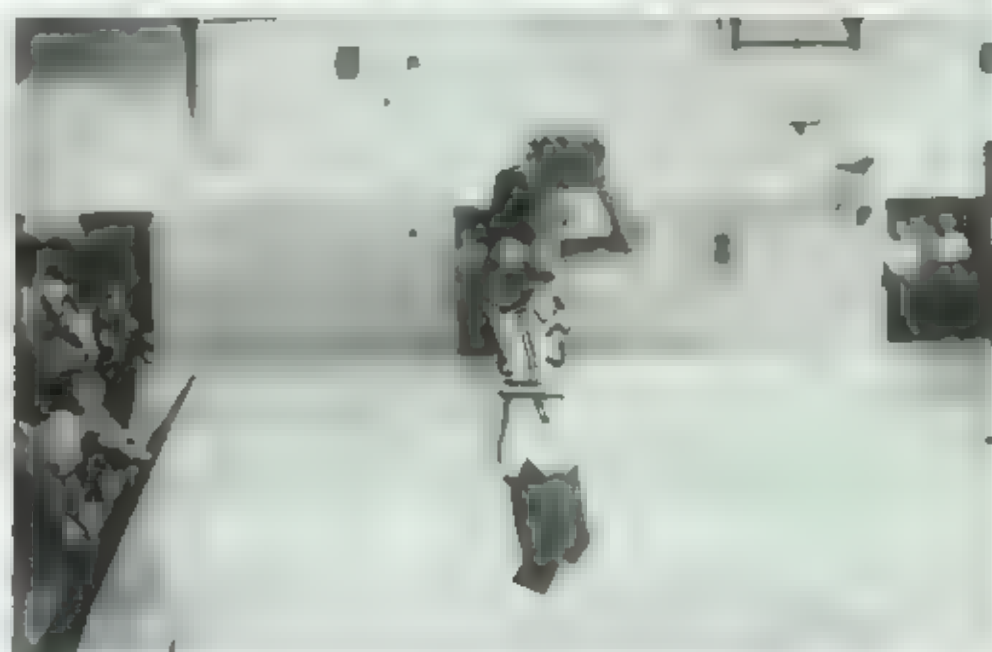

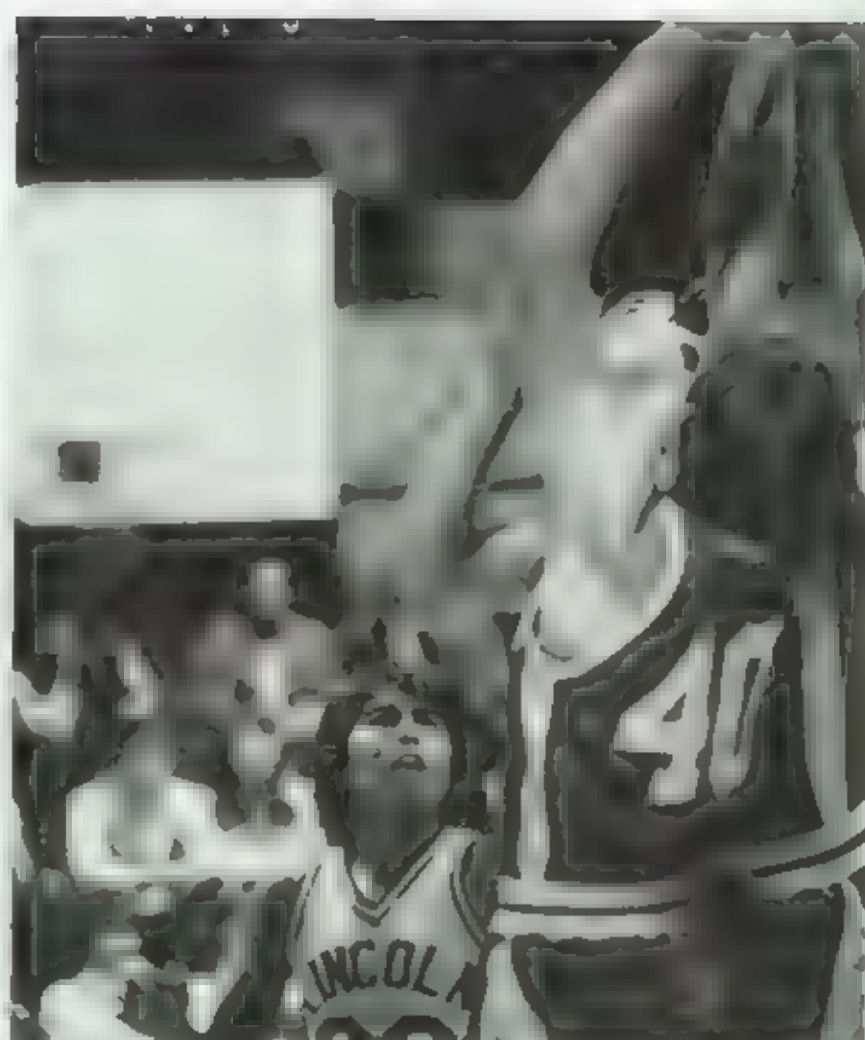

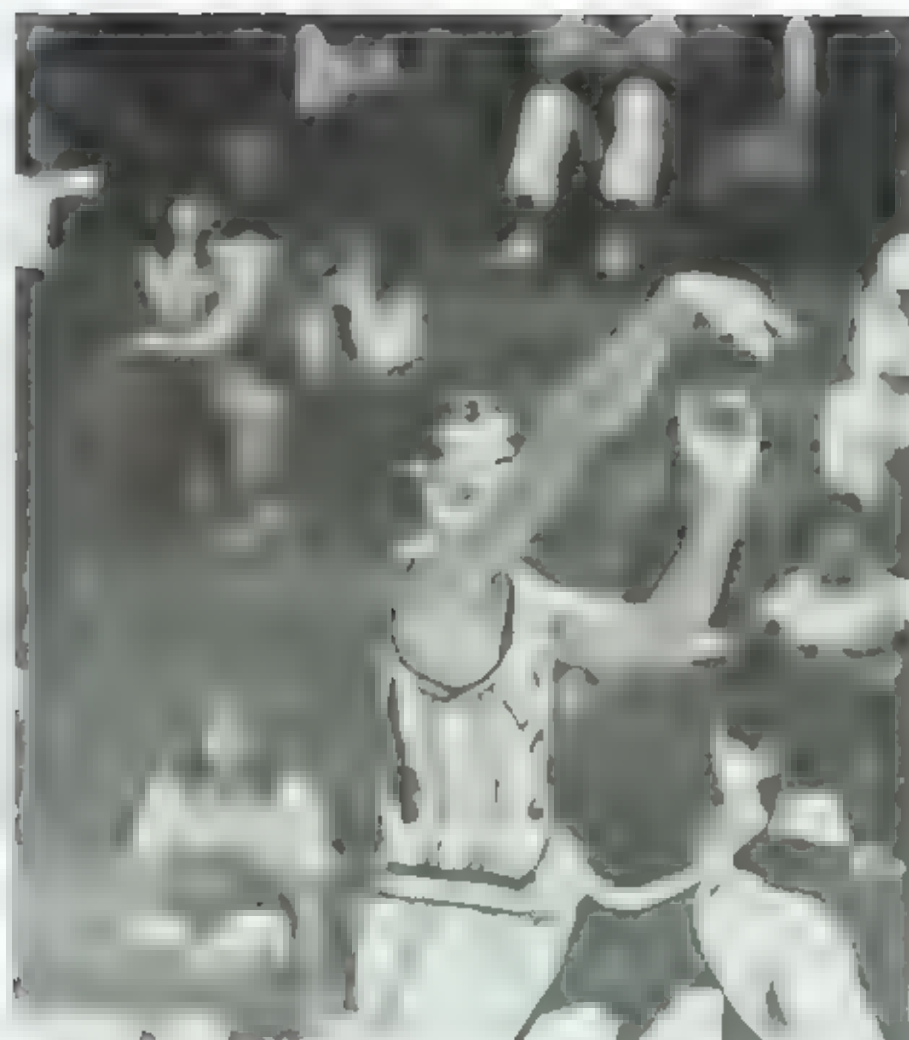

This was Coach McGilvery's first year at Lincoln. He came to us with coaching experience from West Valley College. He and the team are looking forward to an even better season in the upcoming year.

TEAMWORK ALL THE WAY

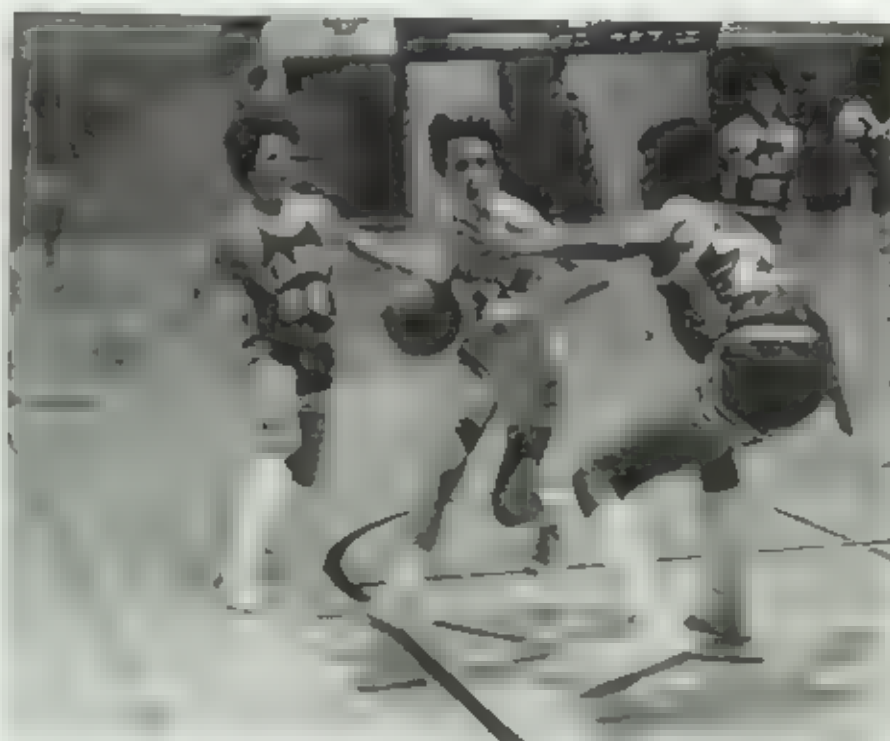

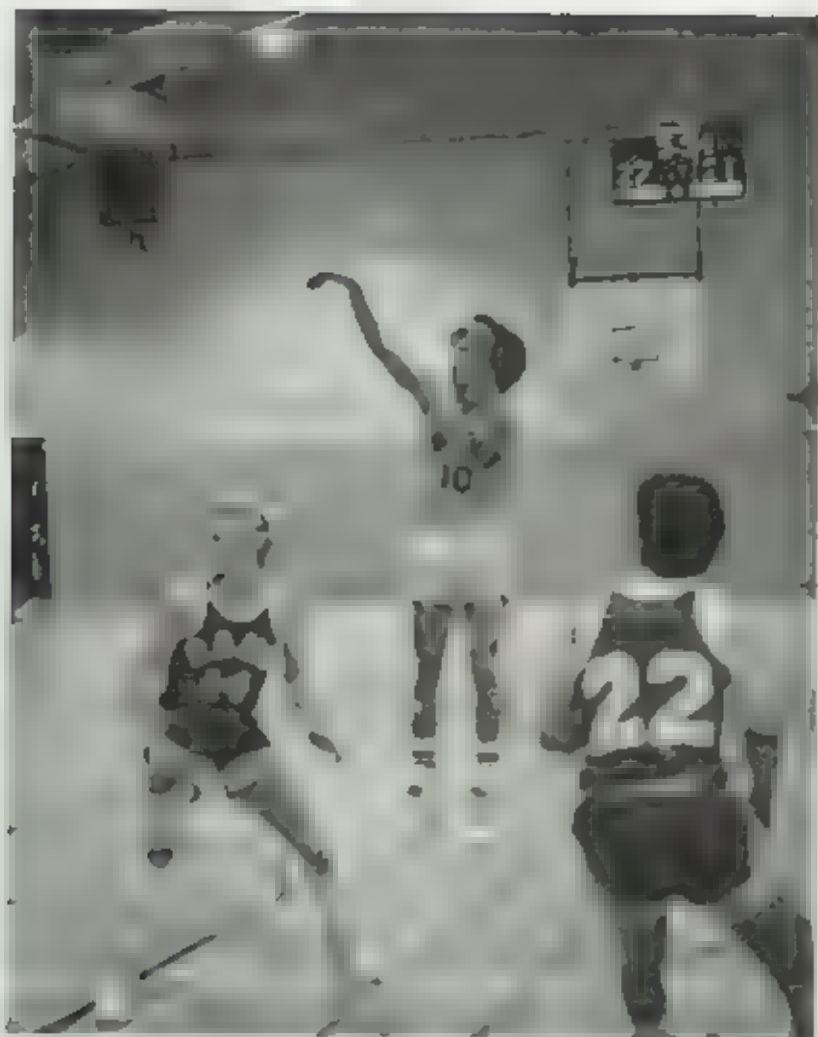

Teamwork was just one of the many goals for the Frosh/Soph Basketball team. Coach Mike Brittain, in his third year with Lincoln, had a very good outlook for the team. The main goals were to work as a team, attain a positive attitude and competitiveness, and to put in a lot of hard work. With all of these goals working together, the end result would be to win games.

In the pre-season games, consistency would be the difference in making the team league contenders. Coach Brittain pointed out that Victor Marquez is an outstanding player followed by strong performances by Barry Burchert, George Hodgson, Mike Russell, and Mike Rubio

SHOOTING FOR VICTORY

The Lincoln varsity basketball team consisted of ten players: four seniors, three juniors, and three sophomores. The team was the smallest in the league, the girls all understood the game and worked together aggressively. Shannon Cauthen and Lisa Sueki were the team leaders who kept the team going, providing fine leadership in the face of adversity. The team now needs to develop another fine shooter like Sonya Matthews. The team spent many hours practicing to improve their skills. "Mr. Anderson was a very dedicated coach," stated Tracey McQuay.

Sonya Matthews was an outstanding shooter; Yolanda Limon, Tracey McQuay were dedicated team members; Liz Pinedo was an excellent guard; the team will miss them all. The returning J.V. players included Lisa Sueki and Shannon Cauthen who will give the experience it needs. Sophomore starter Corrine Vasquez has improved tremendously. The team could not have done well without Sandra Martinez, Connie Townsend and Caroline Latorre.

ON THE WAY TO THE TOP

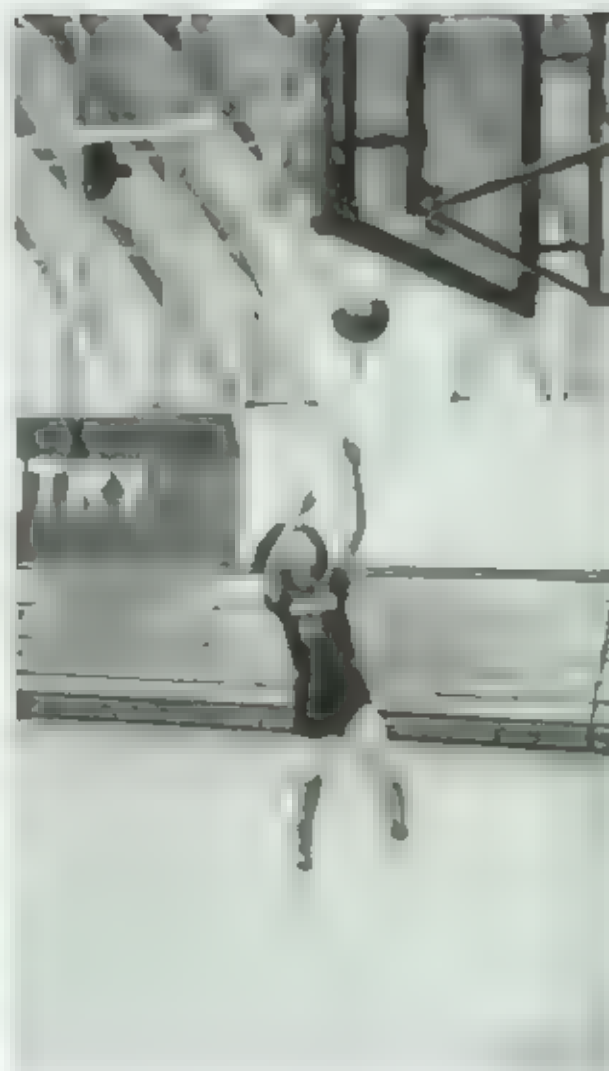

This seasons Junior Varsity team started with six sophomores and six freshman. A very young team dedicated to improvement and betterment of the girls basketball program. Next years Varsity team will definitely benefit by the drive, determination and dedication of sophomores Karen Morita and Mary Pascual. Adding depth and perseverance from the sophomore class were Darlene Jensen, Elizabeth Luu, and Mia Cabello. The team was very lucky to have such as outstanding group of freshmen this year. Led by team captain Martha Santini and low post Carol Valdez these young athletes should contribute to a winning team next year. Continuing to grow and mature at the guard were April Smith and Diane Valenzuela while the outside shot was mastered by Megan McIver. This team can be proud of their season and should be most excited about next years prospects.

Many thanks to two fine coaches-Ms. Nan Goree and Ms. Sue Russell. Your patience, understanding, and dedication are greatly appreciated.

S.T.A.L. CHAMPIONS

What a great year! Lincoln was 14-0 in dual meet competition. They placed first in the league and came on strong to win the S.T.A.L. Tournament Championship with a score of 207½ points. This great team had seven undefeated S.T.A.L. wrestlers in, Mike Romero at 100, Marco Orozco at 121, Steve Partida at 134, Jesse Artiaga at 145, Robert Draminski at 169, O.J. Marquez at 187, and Mike Lozano at 202 lbs. Lincoln also placed or won in the four tournaments they entered this year. Early in December they won the Lincoln Tournament, placed first in the Pacific Grove Tournament and fourth in the Branham Tournament.

Following an undefeated season the grappers placed a very strong seventh in C.C.S., and qualified two wrestlers to the Northern California Championships at 115 lbs. Tony Leanos and Mike Lozano at 202 lbs. will compete for the prestigious State title in their weights.

Eight of these wrestlers will return next year to compete again for a strong team that includes Julio Castillo, Tony Leanos, Jamie Stagi as well as the returning champions.

WEATHER THROWS A CURVE

The weather threw a curve to all spring sports. Girl's softball was no exception. Due to the constant storms the girls didn't get to spend much time on the field practicing. The girls also played against a tough league of juniors and seniors while the Lincoln team consisted of seven freshmen, six sophomores, two juniors and one senior.

Stephanie Morin and Michelle Saavedra were both returning sophomores added, we were a young team with a lot of talent and with the experience we gained next year should be a great one. We had fun playing together as a close team.

Coach Doak who had been coaching the girls team for the fourth year considered this year a building year for the girls and the team. He reported it was fun and challenging working with such a fine and talented group of women.

LIONS HITTING HARD

This year's Varsity Baseball team began with a rainy season and a new Coach, Dave Zimmerman, a 1979 graduate of Lincoln. He played on two championship teams when he was here and played Semi-Pro for the San Jose Braves. This season he was the youngest coach in the Santa Teresa League.

The team had eleven returning players from last year, including many talented new players. The team played well throughout the season and will only be losing seniors Ruben Gutierrez and Todd Kaiser. Next year's team will be very promising.

RACQUETEERS SLAM TO SUCCESS

As any athlete knows, participating in a sport is very demanding on its players. Tennis is not, by far, an exception to the rule. This year's tennis team practiced rain or shine, sun or gloom, averaging three hours a day to produce a winning team.

Lincoln's Racquetteers of 1983 were a young team with lots of spunk. With only four seniors on the team, the team did quite well despite their lack of experience.

Outstanding players of 1983 were, Fred Forster, John Tinoco, Frank Fernandez, Andy Saucedo and new star Matt Hammer.

This year's manager was Karen Mc Laughlin. Karen did an outstanding job, not only attending matches but helping out at all practices.

"Despite the loss of great players Doug Denham and John Ybarra, this year's tennis team did quite well. Most of the Varsity players were experienced and is an outstanding job," commented Coach Santos.

TREKKING TO SUCCESS

Starting out with a strong performance against Valley Christian, the Lincoln track team was very promising. The Varsity team defeated Valley Christian by the score of 87-34. This year's Varsity team was lead by many of last year's frosh/soph standouts. The Frosh/Soph team was edged out by the controversial score of 68-61. The girl's turned in a strong performance but were edged out by a score of 65-57.

This year's turnout for boy's track was much larger with 40 members compared to last year's 25 members. The girl's team was greatly increased from 15 to 35 this year.

Coach Michael Hicks felt very positive about this year's team. There were many freshmen on the team who will in the years to come be very competitive. Coach Hicks felt that the sprints and distances were our best events. He also felt that the people in field events were developing their skills for the future.

The Lions were coached by head coach Michael Hicks, distance runners, Wiley Watson, sprinters, and Al Russell, field events and jumpers.

BIRDIES FLYING HIGH

This years badminton team features many experienced players. Led by Sonya Matthews, Alexei Marcoux, and Humberto Arteaga the singles team contributed heavily to the overall success of the team. Seasoned double play was provided by Kaye Has, Jennifer Carter, Loc Dao and Liem Nguyen. Other players coming in with experience were Tina Contreras, Dai Nguyen, Randy Hernandez, Lynn Yoshikawa and Mary Ann Rosso. Seventeen newcomers will make the team and strong contenders for next year.

Thanks to Ms. Goree and Marion Lyons the team did very well this year and we hope that they will continue on to coach in the years to follow.

ORGANIZATIONS

A DREAM COME TRUE

The Lincoln Monarch Marching Band and Colorguard once again had another successful season. Last year they walked away with top honors at "Music Bowl IV" with its invitation to go to the Orange Bowl in Florida. This is something for which they have been striving for many years.

They left for Florida on December 28, 1982. They were quartered in the National Guard Armory. The band competed in "The Great Bands of the Orange Bowl", where high schools from all over the country competed. There were field competitions and a parade which was televised nationwide. They also had a parade performance in Disney World. Along with all the hard practices and performances they had a great time. Their

stay lasted for six fun-filled days. They returned to San Jose in January, 1983. What a fantastic way to start out the New Year!

Besides the honor of making the Florida trip, they also had a terrific competition season. Their top score was 92.25, overall. They took Field Sweepstakes at the Moreau and Union City competitions. They won Grand and Field Sweepstakes in the Newman competition and were parade state champions at Santa Clara YMI.

The band has a military image combined with a touch of jazz for style, which seems to catch the attention of the audience. They dazzle with rainbow flags, talented rifle members, and many other effects throughout the show.

Their music for the season was "Ponteio", drum solo "Oye Mama", "Spain", "La Fiesta", "One Day in Your Life", and "Mambo". They also had a fine group of instructors: Band Director - Ramiro Barrera; Colorguard - Porfirio Gomez, Danielle Russell, Lupe Gonzalez, and Ray Otani; Percussion - Alvin Foster and Larry Narachi; Marching and Manuevering - Mike Anderson and Ricky Burkhardt.

Also important to the band were Bernard Cabigon, a second year drum major, and Colorguard Captain Caryn Roth. Both were graduating seniors. We wish Mr. Barrera and the band many more Orange Bowls. They've come a long way.

...Good luck in the future.

(BELOW) Efrain Cantu gets the spotlight during "Spain".

After months of practice, hard work, determination and fundraisers, it finally paid off.

The field show was held in the Orange Bowl Stadium on December 29, of 1982. The band was competing against other bands from all over the United States. Lincoln came back with fifth place. Bernard Cabigon, '83, won the honors of outstanding Drum Major.

Practicing in public streets of Miami was exciting also. The band did a great performance in the night parade, which was held on December 31, New Year's Eve. This was a thrill and honor for all.

New Year's Day the Monarch Band performed in a parade at Disney World, Orlando, Florida. After

the band finished their performance they had the rest of the day through midnight to be typical California sight seekers. Of course the fun had to end some time. On January third of 1983-1:30 pm-the staff, the members and booster parents left Florida to catch another plane in Atlanta, Georgia and then on to California.

Although the trip and hard work may be over, they all have many memories. If they had to do it all over again, "Yes!", they say it's worth it.

Mr. Barrera, satisfied with the performance of the band, is relieved and grateful after all they went through to get there; The Dream finally came true!

NO MORE DEADLINES!!!

"BUT MS. LYNCH!" was the expression most used by this year's Monarch staff.

This year's staff started out with a lot of inexperienced people but overcame that obstacle as the year progressed. The staff worked with the ideas of Robert Troughton and the leadership of Co-editors Debbie Alexander and Kara Tokushige. Assisting the editors were Frank Fernandez, layout editor; Anne Nishiura, activities editor; and Jenny Romero, photography editor.

Many long hours were spent down in Room H consuming layout and type sheets and many bottles of liquid paper to fill the pages of this yearbook with photos, stories, and captions.

In addition to the regular yearbook duties such as drawing the layouts, typing, and taking pictures, this year the staff decided to print their own pictures instead of sending them away to a studio printer. This gave the staff an opportunity to broaden their knowledge in producing a yearbook.

Alas, we could not have made our deadlines without our advisor, Ms. Lynch. She not only stayed afterschool until all hours of the night helping the staff and printing pictures but also drove to the yearbook plant and dropped off our deadlines. We wouldn't have made it without her, but, through it all, there are no more deadlines!!!

LION TALES PREVAILS

This group of fine young journalists proved their talents by producing Lincoln's quality newspaper, *Lion Tales*. Published monthly, the staff produced a newspaper which not only displayed life at Lincoln, but that of the community as well.

Returning as co-editors from last year were Sarah Gaffney and Kari Hansen. Their persistence, endurance, and flexibility encouraged the staff to produce excellent news stories and features.

The staff, composed of mostly seniors, was larger and more experienced than those in the past. They were punctual in meeting deadlines and worked with positive attitudes.

The photography staff printed excellent pictures. Photo Editor was Alex Dalkey, with assistance from photographers Felix Brito and Alan Smith.

The staff would be completely helpless without advisor Colonel Al Mendes. While offering constant advice, he has allowed them complete freedom to write their own paper.

LION PRIDE

The school year has been challenging for the cheerleaders of 1982. The practices were long hard hours of cheering. Most practices were held after school for at least two hours.

The cheerleaders showed their spirit when they performed at the Big Bone game. As the cheerleaders lead the yells, the football players secured their team victory.

When spirit week came around, the cheerleaders were first in line to show students what Lincoln spirit was all about. Although it had been rough practicing everyday, they got through the games as if it were a regular routine.

LINCOLN SPIRIT FLYING HIGH

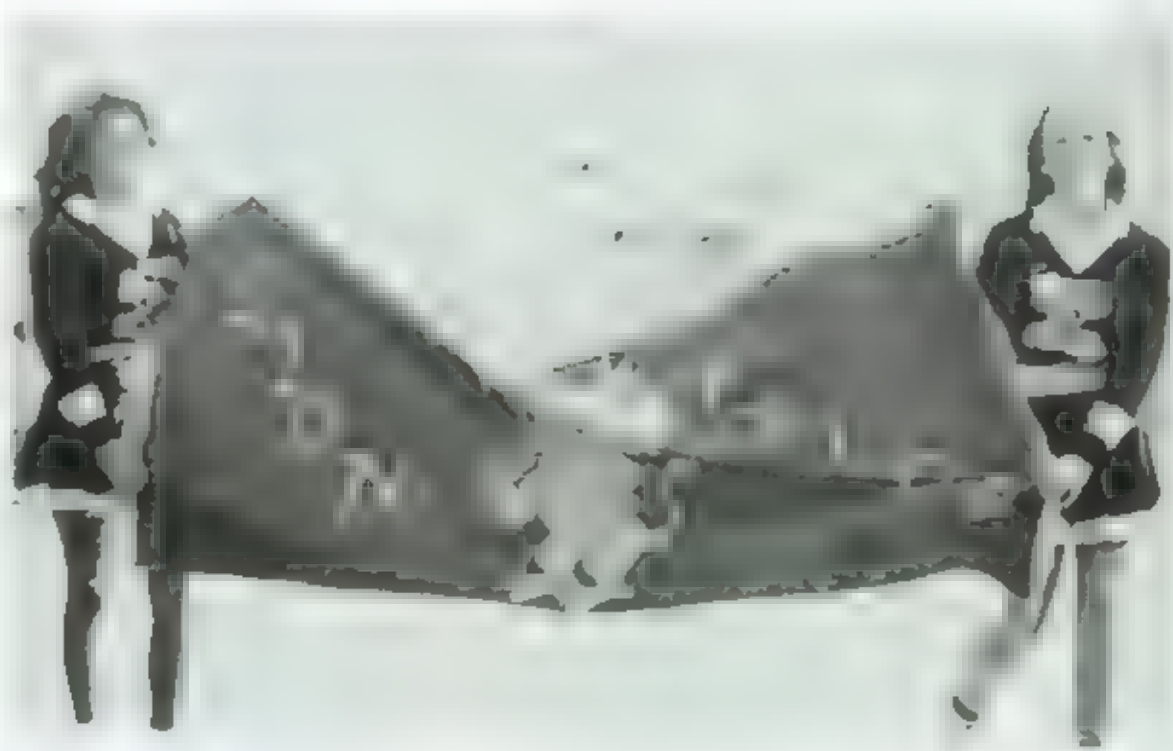

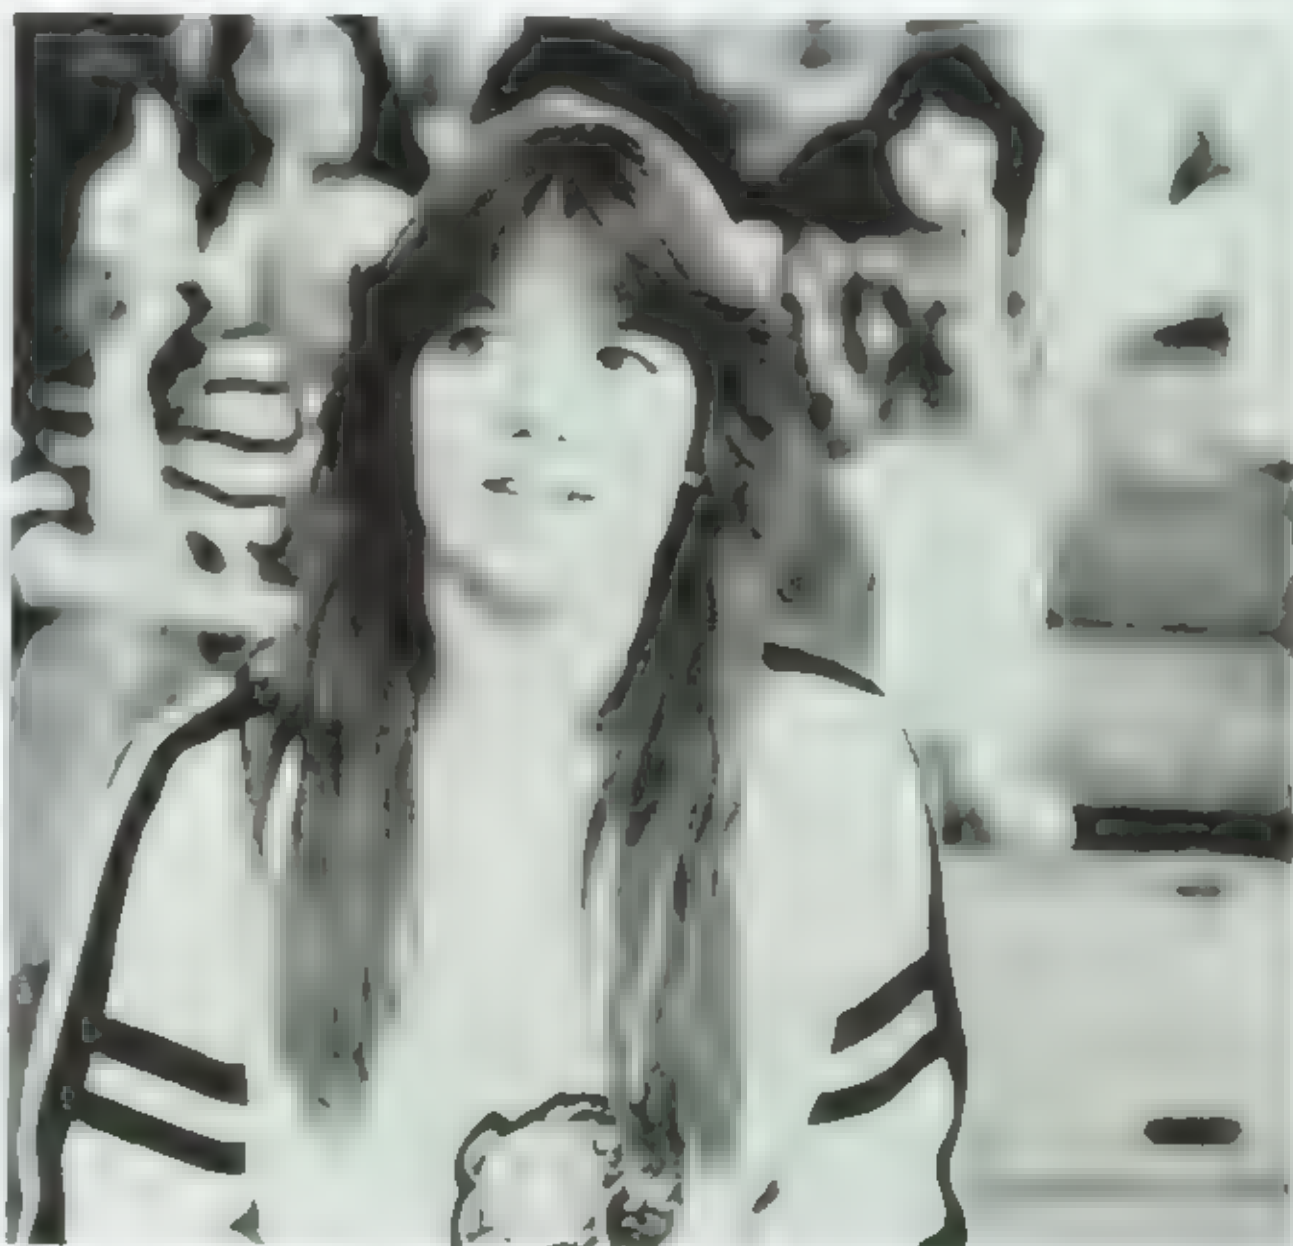

The basketball cheerleaders have made Lincoln proud. They've given the team the spirit to win and the power of mind to defeat their opponents. The girls practice their cheers during lunch hour and sometimes after school. These girls are dedicated to long hard hours of work. Throughout the year they were willing to do anything to give Lincoln the recognition that it deserved. These girls had the power in their cheers to brighten up any game whether it was a win or loss for our Lions. The cheerleaders kept up the spirit and for that reason the students and staff members of Abraham Lincoln thank you for all your devotion and spirit

Congratulations on a year well done!

LIFE ON THE FARM

Gardening, farm life, and livestock shows are just a part of the Agriculture Department. Students in agriculture acquire skills in all aspects of farm life ranging from the raising and selling of plants to the raising and caring of animals.

The duration of the school year, students were taught how to raise plants of various types. They range from the common everyday spider plant to the edible lettuce. These plants are raised in the garden which is located across the street

from the campus.

The livestock is kept in the school farm located at Story and King Roads. There, the students raise their livestock, consisting of steers, lambs and pigs. Students prepare them for the Santa Clara County Fair Livestock Show held in August.

Being a member in the Agriculture Department gives one a sense of pride and success in dealing with the raising and caring of living organisms.

FALL ASB

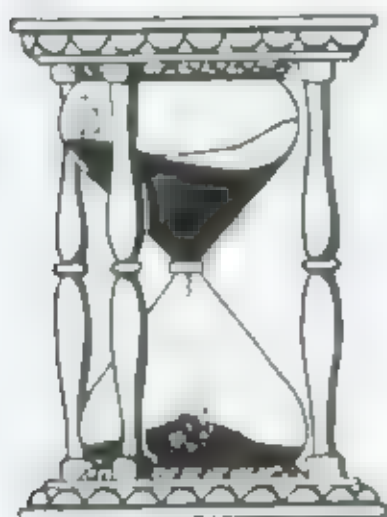

President Mollie McLeod, Vice President Jennie Carter, Secretary- Martin Sosa, Treasurer- Shannon Cauthen

The fall semester of 1983 was a busy one for the student council. The ASB began the year with its annual Freshman Orientation during which President Mollie McLeod welcomed the incoming class of 1986. Each entering freshmen received a copy of the New Lincoln Handbook which was written by the ASB officers

On September 24th, the student council sponsored the Welcome Dance which celebrated Lincoln's fortieth birthday. The dance was a tremendous success with D.J. Larry Has providing music for the 380 students who attended despite the stormy weather

In addition, the ASB attempted to help the community at large by holding a canned food drive. The student council members also gave \$118 of their own money to sponsor a needy child from a foreign country.

President- Jennefer Der

Being the Spring ASB President was an interesting experience. It was the first time I ever held an office, but as time went by things got easier for me.

We had a very successful fundraiser and we were very close to starting a computer class. We also had another successful blood drive thanks to all the students and faculty who participated.

We met challenges and we met new people, but most of all we discovered new things about ourselves.

I would like to thank Mr. Ramirez for helping me during this semester, and Mollie McLeod for getting me started. I am glad I had the chance to serve Lincoln.

SENIOR CLASS OFFICERS

The Senior Officers for 1982-83 were President Jenny Romero, Vice-President Kari Hansen, Secretary Tracey McQuay, and Treasurer Irma Navarro. The officers set out to make 1982-83 the best senior year ever. They sponsored many activities during the past year. The slave auction, Sadie Hawkins Dance, and the Carnation sale were among a few. These officers spent much of their own time organizing the activities. The officers were very dedicated throughout the year and always put out 100 percent. As a result they were very successful in their endeavors. President Jenny Romero was always at her best as well as the rest of the officers.

At the beginning of the year the officers were asked what their future plans were, they responded, "We would like to make this year a memorable one for all the seniors."

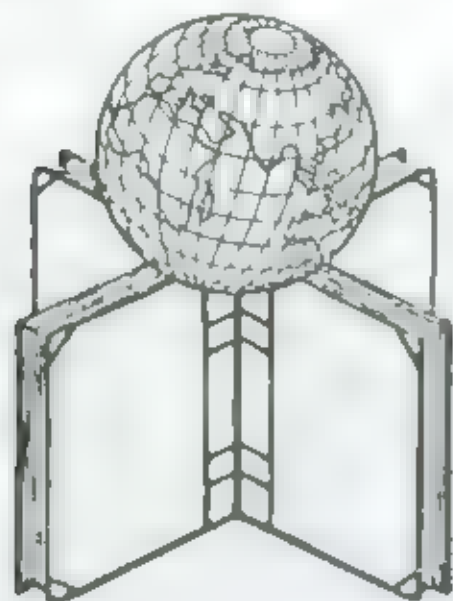

Your fellow seniors, under-classmen, and staff wish you the best of luck in the future.

JUNIOR CLASS OFFICERS

Lisa Sueki

Mike Loya

Michael Leal

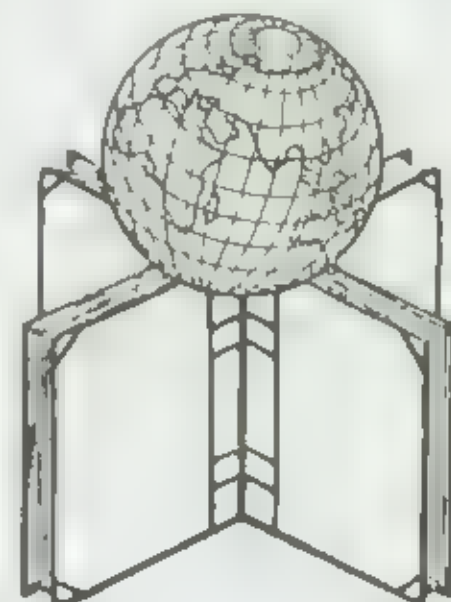

Jennifer Wurm

The officers of the Junior class for 1982-83 were President Lisa Sueki, Vice-President Mike Loya, Secretary Mike Leal, and Treasurer Jennifer Wurm. They were very enthusiastic about their positions. When they entered the position that they won by vote, one of their resolutions was to make all Juniors proud of attending Lincoln and of being a Junior. As well as keeping their resolutions our Junior Class Officers sponsored many activities. Just to name a few: a candy sale, a computer match up, a Valentines dance, plus the well known Caribbean Cruise Club.

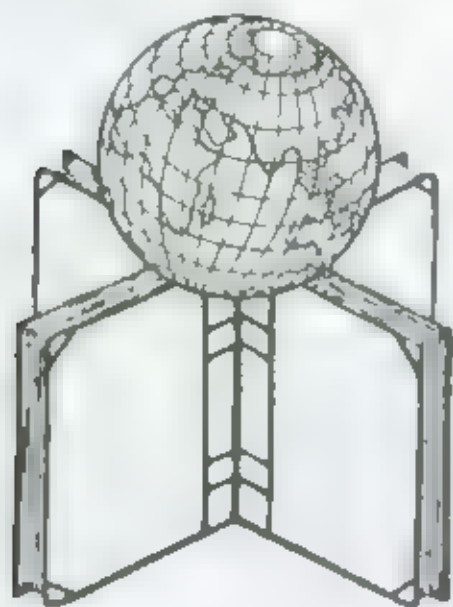

All the activities sponsored by the Junior Class were very popular with all Lincoln students and were greatly appreciated.

When the Junior Officers were asked of their future plans they answered by saying "Maybe next year it will be the Senior Officers." The Juniors would like to thank you for a sensational job.!

SOPHOMORE CLASS OFFICERS

The officers of 1983-83 were President Suzette Johnson, Vice-President Karen Morita, Secretary Mary Pedone, and Treasurer Marla Yarmus. This year's officers were outstanding in each of their positions. The officers were busy throughout the year, going full speed to make this year a favorable one. Each of the officers were dedicated to their position. They were all willing to give a helping hand when ever needed. Like the other class officers, the officers sponsored several school activities. One of the best activities was the Frosh/Soph Hop. Due to the tremendous publicity there was a large turnout. Many of the sophomores on campus seemed very proud of their representatives, and felt they were doing an excellent job. The class officers capabilities were evident in their organization and follow through of the activities they sponsored. Your fellow classmates wish to thank you for making this year one to remember and wish you the best of luck in the future.

FRESHMEN CLASS OFFICERS

Tina Tabuchi

Lisa Summers

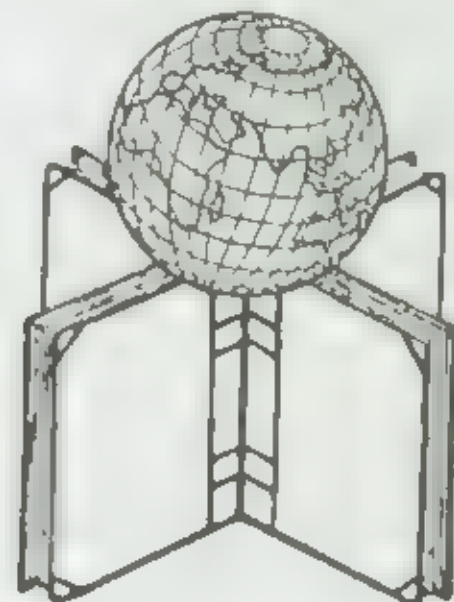

The officers of the Freshmen class for 1982-83 were President Tina Tabuchi, Vice-President Lisa Summers, Secretary Amy Thomas, and Treasurer Betsy Bynum. The Freshmen officers may have been new to student government but they all did a terrific job throughout the year. Inexperience to student government did not hinder the super job the Freshmen officers set out to accomplish. Throughout the year the class sponsored several school activities. Two activities that proved to be most successful was a paper-drive and the Frosh/Soph Hop. Like the other class officers, the Freshmen also spent much of their own time on making 1982-83 a year to be remembered. The future plans of these officers were to continue in some kind of student government and with the experience gained, to continue making their years at Lincoln successful. Thank you for your hard work and your tireless energy.

QUIET LIONS

Many people here at Lincoln walk around in a very low profile. Their personalities are not known but their duties are greatly appreciated. Many of these students use their own time to fulfill their occupations. They are interested in making Lincoln a better organized school, and they are always willing to lend a helping hand. When you need them they are there. Most of them who occupy these time taking jobs do it with a smile while getting their jobs done. We are proud of these students and wish to say "Thank you for all your participation in making this year one of our best years."

FACULTY

PRINCIPAL MICKEY LONG

Congratulations to the Lincoln Graduating Class of 1983! Our best wishes go with you as you enter the world of work or pursue higher educational goals. It has been a pleasure to know you and to work with you. Thank you for your outstanding contribution to Lincoln High School. You will always have a special place in our "Memory Book." It is now time for the classes of '84, '85, and '86 to accept the responsibility for carrying on with the excellent "Do Right" tradition.

SENIOR QUOTES

Ernesto Aleman

The direction in which education starts a man will determine his future life

Tim Alexander

Revenge is sweeter than life itself, so think fools.

Kenny Archambault

I love thee, as the good love heaven

Judi Barenchi

Judi, Judi, Judi

Napolean Barneond

Anybody who has health, has hope, and anybody who has hope, has everything

Rebecca Bevering

Sweet flowers alone can say what passion fears revealing

Danielle Bishop

Hope is a lovers staff, walk hence with that and manage it against despairing thoughts

Teresa Cabrales

If one does not possess what one loves, one should love what one has

Sharon Campbell

True friendship is like sound health, the value of it is seldom known until it be lost

Maria Casillas

I am a part of all that I have met

Juan C. Chavez

They have a right to work wherever they want - as long as they have dinner ready when you get home

Roseantina Contreras

The tears that we shed, and the laughs we had shared, was a way of our showing that we really cared

Alex Dalkey

There was never a time when you nor I did not exist

Drew De Amicis

When you win, nothing hurts

Gabriela Drigado

We only found it today. It's as large as life, and twice as natural

Doug Denham

The words of the prophets are written in Lincoln's halls

Jennifer Der

We walked the lonbest mile, we smiled without any style, we kissed altogether wrong, no intentions

Jim Duggan

The whole trick is to play the game well, but remain a man of honor

Beth Edminster

Say good-bye or howdy-do, what's the odds betwixt the two? Comin' goin' everyday. Best friends first to go away grasp of hands you'd rather hold than their weight in solid gold, slips their grip while greetin' you, Say good-bye or howdy-do."

Edward Enos

A wise man once said, "Whenever in doubt punch it

Monica Espinoza

Some say it's nice to have something to hold on to, but it maybe better to be able to let go.

Teddi Evans

To gain a position in the world, one must do one's best to appear as if it has been already gained

Mike Farias

Many are called but few are chosen

Frank Fernandez

I am convinced that we have a degree of delight, and that no small one, in the real misfortunes and pains of others

Elizabeth Flores

If you can imagine it, you can achieve it. If you can dream it, you can become it

Melinda Flores

The greatest pleasure in life is doing what people say you can't do. I believe in me

Sarah Gaffney

Those who find ugly meanings in beautiful things are corrupt without being charming. This is a fault. Those who find beautiful meanings in beautiful things are the cultivated. For these there is hope

Elizabeth Galluzzi

Fly and you will catch the wind, dream and you will reach your goal

Flora Gonzalez
"True love is the gift which God has given"

Rodney M. Gonzalez
"He never sold the truth to serve the hour nor altered with eternal God for power"

Charlene Bouvier Guerra
"In life there is a beginning and an ending, for me life has just begun."

Norma Guillen
"Some say it's holding on that makes you strong."

Douglas Habib
"Let not the sands of time get in your lunch."

Margaret Hadley
"If you can imagine it, you can achieve it. If you can dream it, you can become it"

Kari Hansen
"What lies behind us and what lies before us are tiny matters compared to what lies within us."

Gloria Heredia
"When time who steals our years away, shall steal our pleasures too. The memory of the past will stay and half our joys renew."

Katherine Inwood
"A tiny spark kindles a great fire"

Todd Kaiser
"Whatever you do, you need courage. Whatever course you decide upon, there is always someone to tell you, you are wrong."

Laura Keeley
"Genius does what it must and talent does what it can"

Jose L. Lopez
"Live life the way you want to live it and not the way you have to live it."

Eddie Luna
"Remember this also, and be well persuaded of its truth: the future is not in the hands of fate, but in ours."

Jose E. Luna
"Trouble is a part of your life, and if you don't share it, you don't give the person who loves you a chance to love you enough."

Dan Lutz
"Frankly my dear, I don't give a darn."

Alexei Marcoux
"Argue for your limitations and, sure enough, they're yours."

Regina Martinez
"Give to the world the best you have and the best will come back to you."

Tracey Mc Quay
"Live today as if there were no tomorrow."

Hollie Messineo
"All the world's a stage, and the people merely players."

Augustina Montano
"Give to the world the best you have and the best will come back to you."

Jennifer Montez
"Life is full of hellos and goodbyes, friends come and go, the only thing which remains are memories."

Lisa M. Montez
"Even in this darkened world there's a light that shines so bright."

Thomas Morales
"Art hath an enemy called ignorance."

Dawn Moya
"A woman's life may be divided into three stages; in the first she dreams of love, in the second she experiences it, in the third she regrets it"

Luz Maria Muzquiz
"We accomplish in proportion to what we attempt."

Becky Nanez
"A hard beginning makes a good ending."

David Neyman
"I know what I like and I like what I know."

Anne Nishiura
"Winds of change are blowing by"

Luz M. Pinedo
"Give the best to the world and the best will come back to you."

Leonor Rivera
"A reward awaits for the one who is willing to work for it"

Kevin Rogers
"A winner never quits and a quitter never wins"

Blanca Rodriguez
"My interest is in the future because I am going to spend the rest of my life there"

Evangelina Romero
"When we fall out with those we love, and kiss again with tears. To be great is to be misunderstood."

Jenny Romero
"The purpose of life, after all, is to live it, to taste experience to the utmost, to reach out eagerly and without fear for newer and richer experience."

Theresa Romo
"Remember yesterday dream about tomorrow but live today"

Rosario Rosales
"We stand today on the edge of a new frontier."

Caryn Roth
"How often we are listening to yesterday, when today is ready to speak. In touch with reality is a grasp beyond."

Darlene Russell
"Security is when I'm very much in love with somebody extraordinary who loves me back."

Marisol Salazar
"Friendship is the hardest thing in the world to explain. It's not something you learn in school. But if you haven't learned the meaning of friendship, you really haven't learned anything."

Kelly Scott
"Mama, I don't think I've said I love you enough."

Andy Smith
"I believe in the 'here' and the 'now' but right now I don't believe what's happening here."

Jeff Starks
"This is my year, for this is the year that I have deviated from the norm."

Annette Sundberg
"What peaceful hours I once enjoy'd! How sweet their memory still! But they have left an aching void, the world can never fill."

Marlene Tellez
"A friend is someone who understands your past, believes in your future and accepts you today just the way you are."

Marcia Thomson
"I have loved many, the more and the few. I have loved many, that I might love you."

John A. Tinoco
"Life is my college. May I graduate well and earn some honors. For nothing is impossible to a willing heart"

Kara Tokushige
"Good things might come to those who wait, but not to those who wait too late."

Mary Tran
"If you can imagine it, you can achieve it. If you can dream it, you can become it."

Tony Villalba
"You can't stop the world, don't let it stop you."

Dean Warren
"It's hard to forget a girl when you buy her a gift on time."

Kevin Weston
"Don't worry about today, and don't worry about yesterday, because you may not live through tomorrow."

Susan Wright
"A friend that ain't in need is a friend indeed."

Before coming to Lincoln, Porfirio Gomez Jr. attended high school at Independence High School where he marched in the band and colorguard. He also attended San Jose City College as an Electronics major.

His job here at Lincoln consists of teaching and choreographing the colorguard and being an instructional aide for Mrs. Taix Special Education Class.

Porfirio's future goals are to become a successful show designer in the world of pageantry and to resume his education in order to receive his degree in Engineering

Tarekegne Mehary taught history in high schools in Ethiopia for five years and he also worked in a government office

Here at Lincoln his duties are to help individual students with their studies and to help the teacher in organizing and preparing lessons

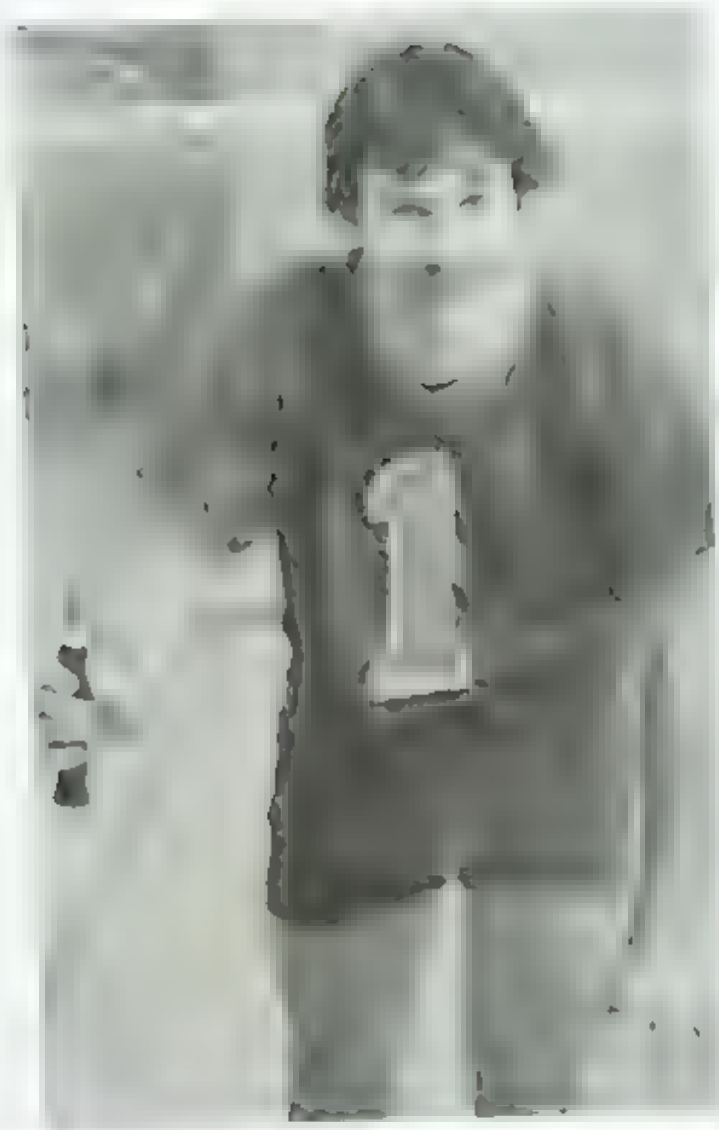

Being an instructional aide is the first job in the United States for Trach Dang. His job is to help the Vietnamese students who have difficulty understanding their teachers' explanations so that they can do their assignments better. Trach's future goals are to serve the Vietnamese community and the American society with his professional career

Before coming to Lincoln, Kathy Gullo worked as a talk show producer and news writer for radio station KXXR in San Jose

She is an instructional aide in the Special Education program here at Lincoln. She is attending night school and is currently working on a secondary education teaching credential

LINCOLN

Marion Lyons, a Lincoln graduate in 1976, has helped Lincoln students for many years. He has contributed much time and energy to many aspects of Lincoln's campus.

Marion has been assistant coach for the Varsity Football team for five years. He has also helped out with badminton, basketball, volleyball and Lincoln's band to name a few.

In addition to coaching, Marion has been responsible for the stocking of our vending machines.

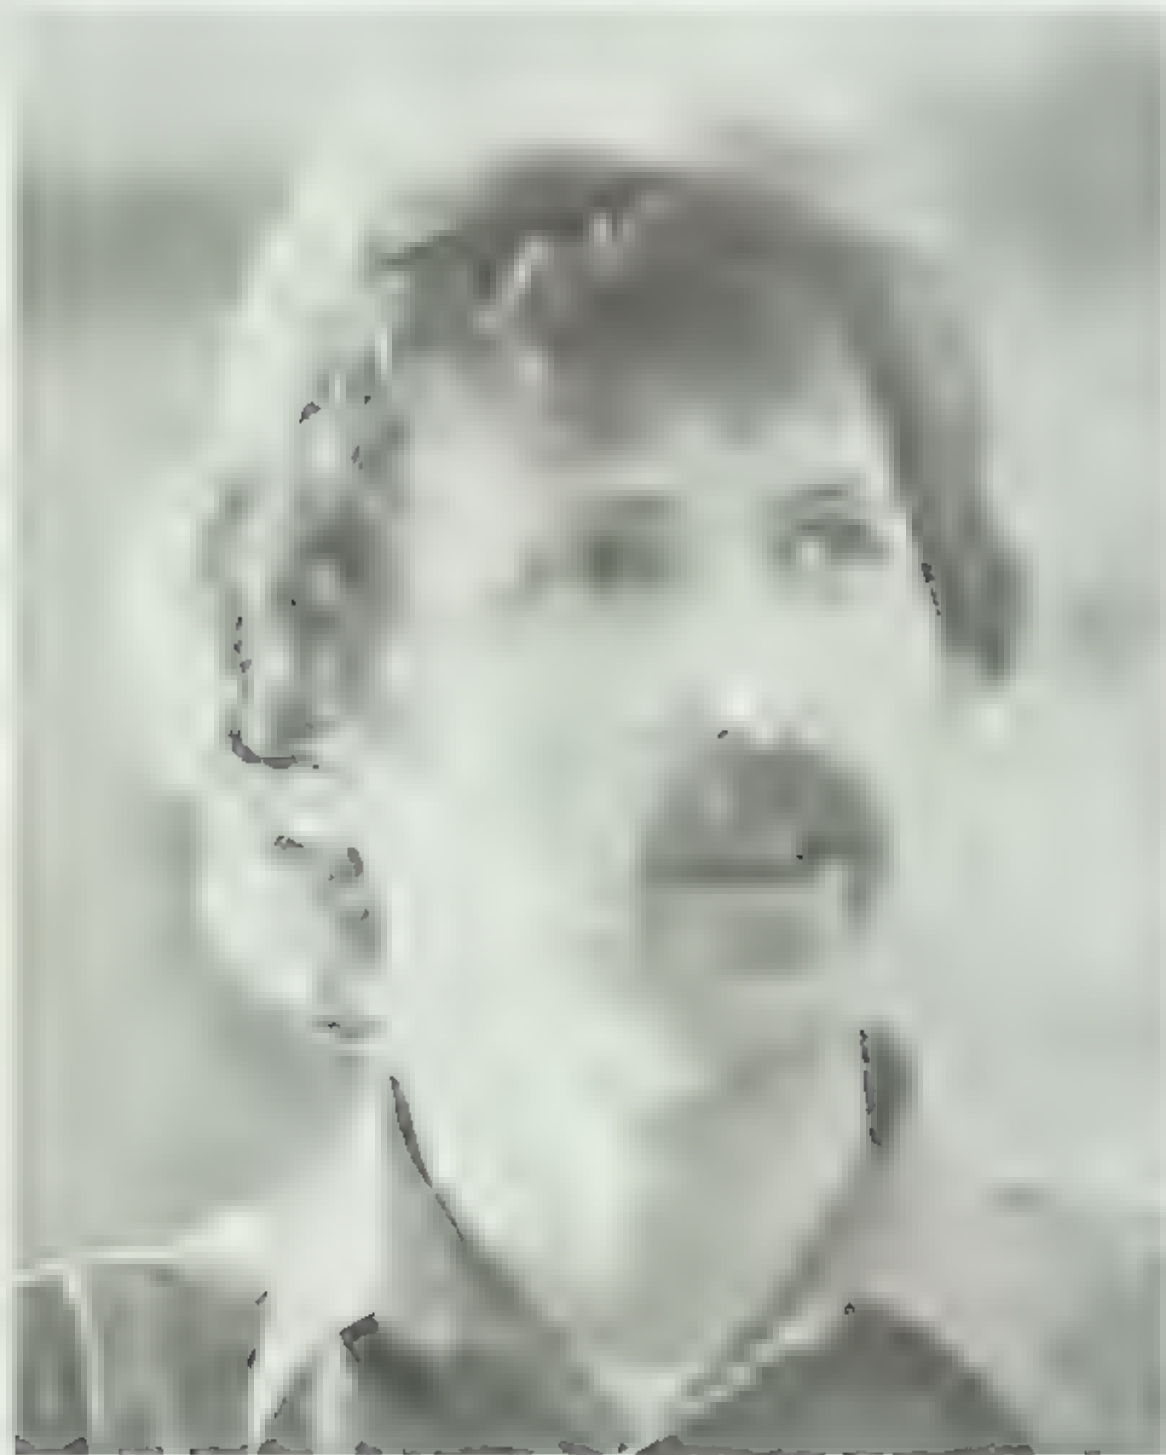

He is widely known for his #10 jerseys which are his own personal insignias.

In the future, he would like to become a Math teacher and part-time coach as well.

For all the hard work and dedication he has given over the years, we would like to express our deepest gratitude and wish him best of luck.

PERSONALITIES

Mr. Kenneth MacPhee, a newcomer from Scotland, has come to Lincoln as an exchange teacher through the Teacher Exchange Program, which is sponsored by the U.S. Department of Education. Mr. MacPhee teaches English to juniors and seniors, a job he does very well

Aside from his English classes Mr. MacPhee coached the girl's soccer team. He has brought fifteen years of soccer knowledge to our girls

Mr. MacPhee taught drama at the college level for seven years in Scotland and had numerous plays he had written produced in the theaters in Britain. One of his plays is based on the theme of the American cowboy and is being produced in the West end of London

It was a pleasure to have Mr. MacPhee as a part of Lincoln's staff and he will be remembered by many of Lincoln's student body

This year's Monarch Staff was made up mostly of rookies, including myself. Through the months of hard work to meet the deadlines, the staff's knowledge of how to produce a yearbook grew into a learning experience and together we became a family.

This being my first year in yearbook, I would like to thank everyone on the Monarch staff, Robert Troughton, and Ms. Lynch for their support, hardwork, guidance, and most of all, stamina and perseverance in producing this well-designed book. Being an editor was a pleasant and rewarding job, unfortunately it was not an easy one. Deadlines were always lurking in the shadows ready to jump out and surprise us; the many corrections made to make sense out of copy and layouts, and the rush of having pictures to be printed were all a part of yearbook.

We have strived to make this book one of quality and I hope it has captured a lot of memories for everyone.

Sincerely,

Kara Tokushige

I'm glad you aren't moving. It could get boring without you. I'm glad I got to know you better this year and I hope I have you in more classes next year. The bell is about to ring & I think kids will have a fit about everyone signing yearbooks, so I'll leave it at that

started on 6/3/83

Jackie,

Love,

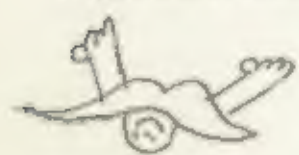

Since Gary took up so much room and Doug so roodly

So Jackie,

A very intelligent and elegant girl I met a ^{took} ^{up my} ^{writing} Hoaner. It has been a ~~real~~ ^{real} pleasure to have known space

I would just like to say I'm glad you're not moving and have a great summer. I finish on 6/7/83 #984-1164w

Have a great summer and call in sometime. 249-7098

Love to you all
Tom

Jackie,
We've had a lot of good times in Biology. Mr. Desch no matter how boring is some times accidentally funny. I don't think he does it on purpose. Like when he spits on people. Don't you think Donoghue is just a tad bit unreasonable?
Or well remember in Washington D.C. that was so fun and Gary in his shorts waving. Peter with 1600's Gary Jerry, who called me and Stacy the twins, or Laura or Sarah. It was neat that some one actually liked Brian Gledy although I don't know who. Have a great summer and I'll see you next year for Sandy Day 88

Jackie,
You certainly have a lot of friends! Well I must say, I consider myself lucky to be counted among them! You are a truly wonderful person and I hope we can be even closer next year!
Your excellence and strife for achievement was a great inspiration. Thanks so much!
Keep in touch over the summer! See you in September!

 I'm super glad I
 see you. Without you I do understand
 it's more for me. I do understand
 be too much for you. I do understand
 wild and crazy girl but something
 I give you many thanks for good and
 your super nice and stay for
 and next year
